ETHICS CLASSES FOR MARKS POINT PUBLIC SCHOOL

Dear parents and carers,

Ethics classes are now available in NSW public primary schools as an option for children who do not attend Special Religious Education (SRE) / Scripture.

The NSW government has authorised Primary Ethics, a not-for profit organisation, to design curriculum and deliver these classes. Classes are inquiry based and children use dialogue and discussion to learn how to think about ethical matters through the give-and-take of reasoned argument. Trained and vetted volunteer teachers lead discussions.

The curriculum is available for Years K-6 students.

We can start ethics classes at Marks Point Public School if there is enough demand. Please let me know if you are interested in choosing Ethics for your child by returning the slip below by Friday 14th March.

If we have sufficient demand for classes, Primary Ethics will need 2 volunteers to start classes. They will need an Ethics Coordinator at Marks Point Public School to liaise between the school and Primary Ethics. We will also need one teacher for each class. If you are interested in either roles, there is more information at www.primaryethics.com.au.
